## About Delta Dental of Illinois Foundation

The Delta Dental of Illinois Foundation (DDILF) was formed in March 2008 by Delta Dental of Illinois (DDIL), a not-for-profit dental service corporation with a mission to improve the oral health of the communities it serves. DDILF is the charitable arm of DDIL and works to support and improve the oral health of people in Illinois. In the past decade, combined efforts of DDIL and DDILF have provided more than \$2 million to programs and organizations that provide oral health education and expand access to oral health care for Illinois residents. DDIL provides dental benefit programs to Illinois citizens and 4,800 employee groups throughout Illinois. DDIL and DDILF are based in Naperville, Illinois.
