

One good plan deserves another.

Groups can receive a discount of up to 3% on their dental plan rate when adding qualifying DeltaVision® group and ProTec group life products to a Delta Dental of Illinois dental plan at the time of sale or renewal.

The **discounts off of Delta Dental of Illinois' dental plan rate** are as follows:

3% discount for adding both a DeltaVision group plan and a ProTec group life plan

2% discount for adding a DeltaVision group plan if a ProTec group life plan is not added

1% discount for adding a ProTec group life plan if a DeltaVision group plan is not added

This offer is available to new Delta Dental of Illinois groups or current groups, with an effective date of 1/1/2016 through 2/1/2017, that do not have a DeltaVision plan and/or a ProTec life plan.

The following plans are **not eligible for dental discounts**:

- **Voluntary life** or **voluntary STD plans** sold without any other ProTec products
- **Supplemental life** and **AD&D plans**
