Through the Dentist Connection, dentists and dental staff can easily look up patient benefits, submit a claim, access claims status, sign up for direct deposit and more. Fast access to the information you need means less time spent on patient administration and more time spent on your patient. To find group members benefits, eligibility and claims go to www.deltadentalil.com. For individual dental plan members, visit the Dentist Connection on www.deltadental.com. Your user name and password is the same for both websites. If you have not registered, when you register for one, you can access both.
